WHAT TO EXPECT

Fight Clubs take place in immersive urban environments such as warehouses, shop fronts, factories or galleries. The Pongathon team builds an eight table fight club arena set against a backdrop of pop-up bars, DJs, live visuals and break-out areas.

Social ping pong zones host robot challenges, master-classes from top pros, exhibition games and team beer pong championships with Fight Club face painters on hand for 'boxing injuries'!

Live MCs, charity auctions, huge prizes and a grand final make a Ping Pong Fight Club a night to remember!
